RE: Re-submission of fax sent 7-1-05

Number of Pages including cover page: 15

Please contact me if there is a problem with this transmission.

Comments:

On July 1 I faxed the attached 13 pages to the above fax number, and received from OUR fax machine the (also attached) confirmation page verifying the transmission had gone through from our end.

However, as I did not receive the usual confirmation page from YOUR end (probably due to challenges we had that day with our equipment), I am re-submitting via fax, upon advice of the Patent Electronic Business Center representative I spoke with today, all the items mentioned above – in case for any reason they did not receive and get posted properly into your system.
